

HENSLER FARMS

Celebrating 42 years of growing

Community Supported Agriculture

Hensler Farms is excited to share the bounty of our farm with the community through our new CSA program. “A CSA consists of a community of individuals who pledge support to a farming operation where the growers and consumers share risks and benefits of food production. CSAs consist of a system of weekly pick-up of vegetables and fruit.” We will be offering weekly shares of fresh fruits and vegetables benefiting our customers with the healthy goodness of locally grown food. Enjoy all of the flavors of summer coming from Hensler Farms! The CSA runs for 20 weeks, May 24-October 11.
